DIGITAL ANATOMY LAB

All day → SPW212

Step into our anatomy lab and interact with life-size anatomy tables and virtual and augmented reality technology – tools you won't find in a typical classroom, and the same ones our students use to learn anatomy every day.

AI IN ACTION: BUSINESS CHALLENGE WORKSHOP

1.00-1.45pm → TD218

Work in teams to solve a practical challenge using AI tools. Explore how AI can support decision-making, problem-solving and innovation. Get hands-on with the technology shaping the future of work, and see exactly how AI can be used to solve real business problems.

WATCH ROBOTS BRING ART TO LIFE

All day → TB102

Robotics meets creativity in this live demo straight from the lab. Watch fully operational robot tools, CNC machines, and 3D printers in action, and see what happens when innovation and imagination are pointed in the same direction.

ENGINEERING LABS TOUR

10.15-11.15am, 11.45-12.45pm, 2.45-3.45pm → TC Building

Take a tour of some of the labs used by students in our engineering courses, from TAFE to higher education:

- Construction Simulation Hub
- Formula SAE Lab
- Advanced Manufacturing Lab
- Control and Automation Lab

WOMINJEKA

○ Welcome to Swinburne

Today is your chance to road test life as a Swinburne student. You're holding a colour-coded map packed with tips and highlights to help you navigate campus and make the most of your day.

○ Where to begin?

There are over 250 Open Day events to explore. First, check out the courses you're curious about by attending a talk or chatting to your future teachers at an info booth. Find these listed by study area under zones on this map. Then, take your pick of the lab tours, hands-on activities and life-at-Swinburne experiences to soak up.

● Look out for signage sporting a red dot, then tap to get on your way. Access our online map and session reminders, and save course info for later.

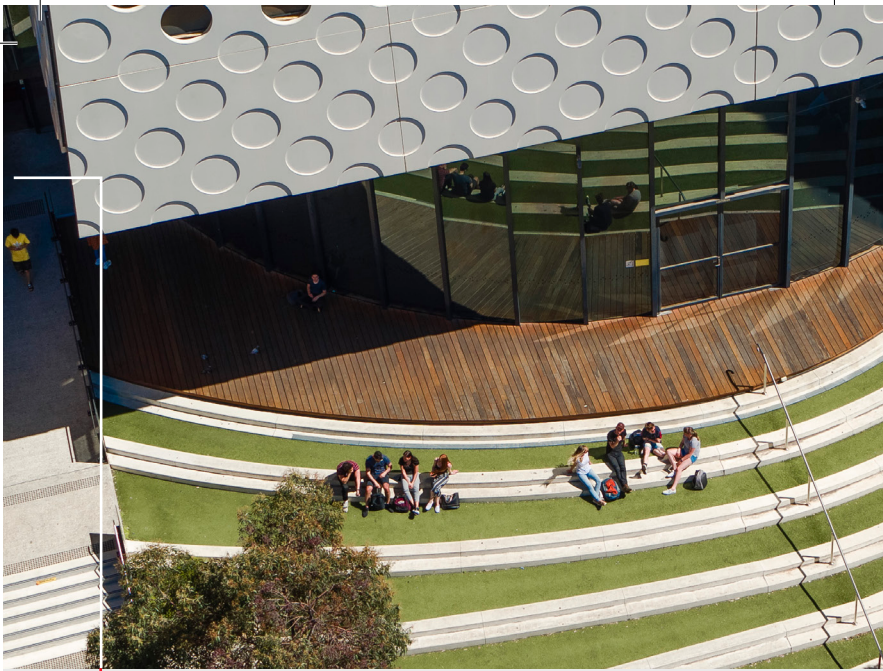

✳️ **INDUSTRY EXPERIENCE GUARANTEE**

Want to see real student placement, project and internship stories? Spot the Industry Experience Guarantee symbol nearby study area info booths.

ACKNOWLEDGEMENT OF COUNTRY

We respectfully acknowledge the Wurundjeri People of the Kulin Nation, who are the Traditional Owners of the land on which Swinburne's Australian campuses are located, and pay our respects to their Elders past, present and emerging.

Join us in launching Open Day 2026 with a Welcome to Country at 10.30am at the Indigenous Learning Circle (in the pink zone).

Getting around

We've divided our campus into four zones to help you explore and discover. The colours here on your map are replicated on signage around campus.

Open Day essentials

Once your course questions are answered at our info booths and talks, it's time to really explore.

FREE COFFEE
Fetch your free coffee (or other hot beverage of choice) from a complimentary kiosk.

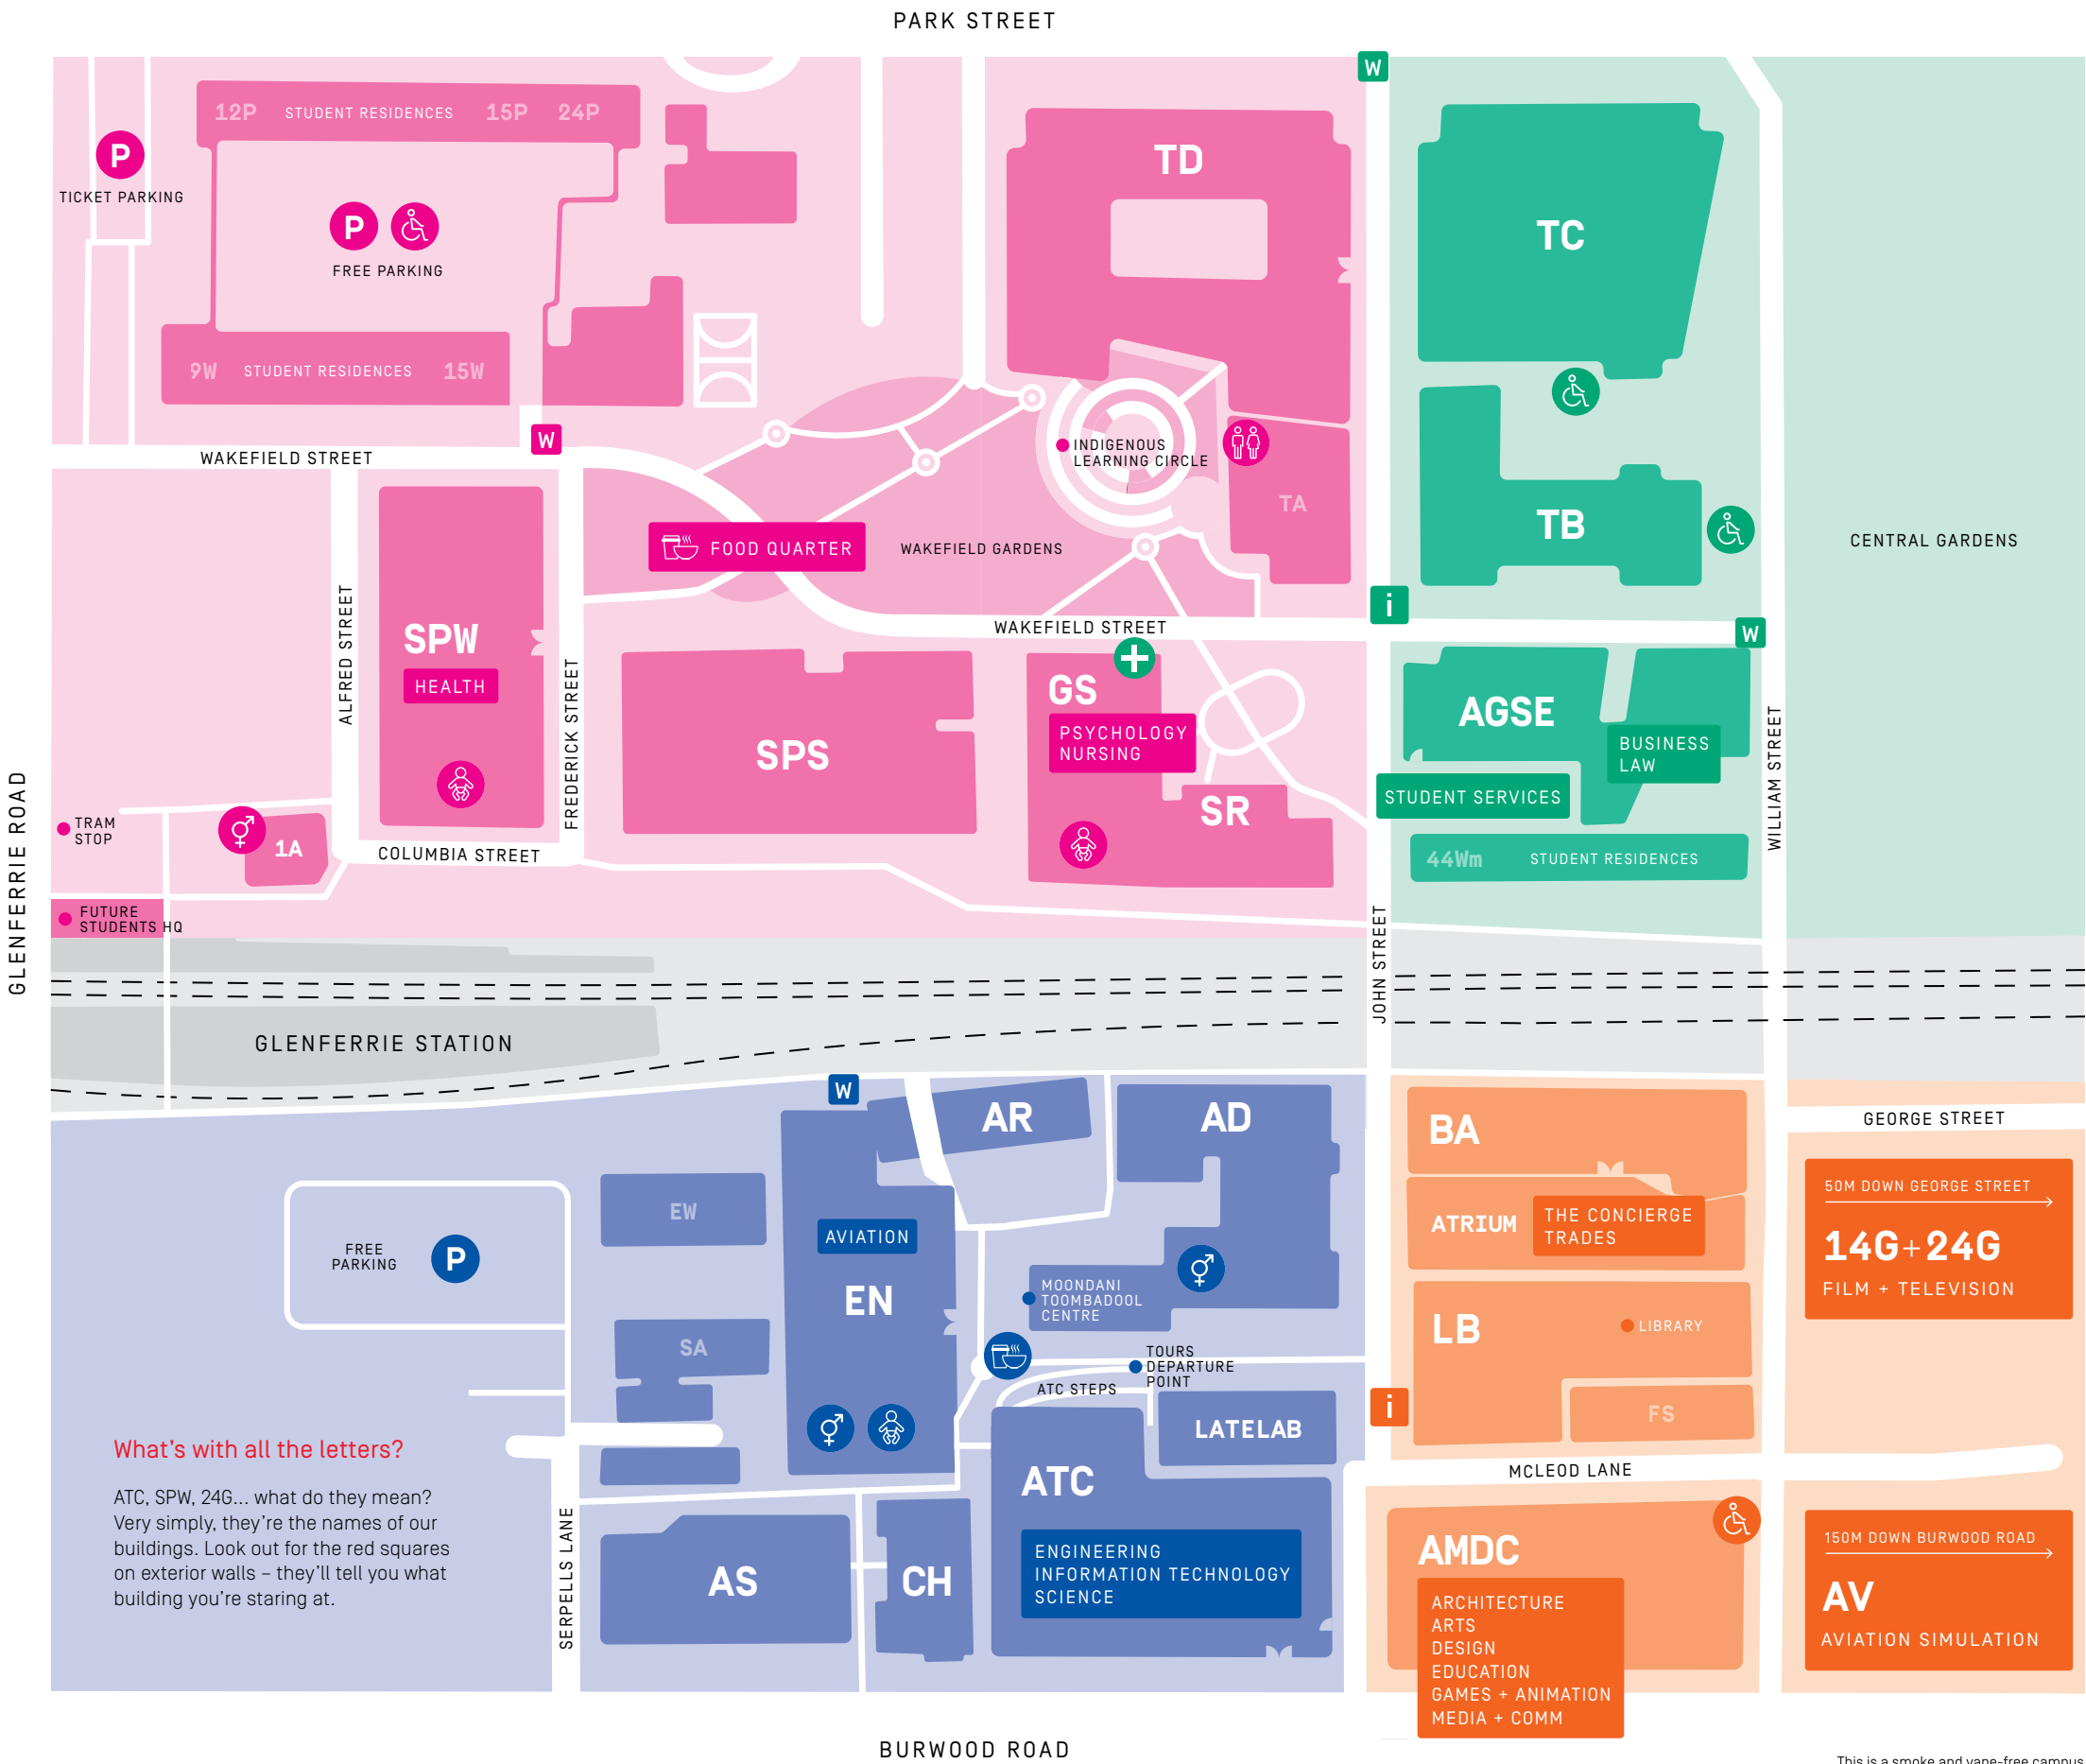

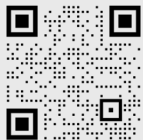

CHECK OUT A LAB
We're known for our state-of-the-art spaces. So, see one (or a few) for yourself.

GET HANDS-ON
Break up your note-taking with a hands-on workshop or drop-in session.

FUEL UP IN THE FOOD QUARTER
Decompress and let it all digest, with lots of food trucks and refreshments to choose from.

HEAD TO A HELP HUB
If you need further help, head to one of our Help Hubs for directions and advice.

DOWNLOAD A COURSE GUIDE
All the course details you need are here – majors, pathways, prerequisites and more.

What's with all the letters?
ATC, SPW, 24G... what do they mean? Very simply, they're the names of our buildings. Look out for the red squares on exterior walls – they'll tell you what building you're staring at.
